WHC6006C	90° ROUND HEAD FLUSH VENT	\$ 25.79

DAVIS NO-SPILL FUEL RECOVERY SYSTEM

Helps reduce water pollution. No spill is a fuel resistant bottle designed for temporary attachment to the hull over the fuel vent while fueling. It captures fuel spilled from the vent when the tank reaches a full level, fuel that would otherwise stain the hull and run into the water. Spilling fuel into U.S. waters is illegal and bad for the environment. Fits all boats with fuel vents up to 1-1/2" diameter.

DVS376	NO-SPILL RECOVERY SYSTEM	\$ 27.45
--------	--------------------------------	----------

-------------	-----------------------------	----------

FUEL ACCESSORIES

MOELLER BLOW MOLDED TOP SIDE FUEL TANKS

These tanks offer a true one piece construction through a unique seamless manufacturing process. This process is then aided by hydraulic cylinder type "o" rings in the withdrawal and gauge area which counters any pressure that builds up inside the tank. Because of these procedures, Moeller is offering a 2 year "no-leak" warranty. Each tank features easy to read glow gauge, a gas to oil indicator and a reserve fuel area to allow you safe passage back to the dock.

MOELLER INBOARD CLEAR SITE WATER SEPARATING FUEL FILTER & BOWL KIT

Trap the smallest particles and emulsified water from gasoline. Patented and trademarked ClearSite™ technology allows for visual detection and draining of water and particles before it can harm your engine. Filtration media will not separate two-cycle oil from gasoline. Water separating canisters ensure no other contaminants or rust will contribute to a blocked fuel system. Designed for Mercury, BRP (Johnson & Evinrude), Yamaha, Suzuki, Honda, Tohatsu and Nissan engines. NOT FOR USE WITH DIESEL FUELS.

MOELLER OUTBOARD CLEAR SITE WATER SEPARATING FUEL FILTER & BOWL KIT

Clear-Site water separating fuel filtration allows easy visual inspection of water build up in your fuel system. The filtration media blocks water then allows for collection in the bottom of our Clear-Site bowl. Not only water, but also contaminants are trapped with the pleated 10-micron media. To empty bowl simply open our unique thumbscrew drain. This Clear Site bowl system is design for Outboard Engine Use Only! This unit is designed for use on the suction side of pump. Do not use with Diesel engines. Each water separating Clear-Site kit comes complete with standard 3/8" hose barbs and plugs, filter head, filter canister with Clear Site bowl. Replacement filter canisters are available separately. The Clear-Site bowl is reusable. Sh. Wt. 2 lbs.

MOELLER DURAMAX FLO 'N' GO

DuraMax Flo N' Go! DuraMax is a large, portable fuel container on wheels designed for industrial, commercial, and recreational applications. It is a safe, fast, and convenient way to refill gas-powered tools, lawn tractors, boat engines, generators, snowmobiles, ATVs, etc. The DuraMax is ideally suited for farm and rural use as well as cottage and marine applications. Made from high density polyethylene, the DuraMax fuel container is resistant to corrosion and denting. Its sturdy six-inch wheels and extra-deep handle make it easy to deliver fuel dockside when refueling boats or powered water craft. The patented gas pump handle allows you to eliminate spillage and overfills by stopping and restarting the flow of gas. The DuraMax can stand vertically or lay horizontally when refueling gas powered engines. It has a flow rate of two gallons per minute in siphon mode.Product Dimensions: 34 in. x 16.5 in. x 12.75 in.

STARBRITE STAR*TRON TANK CLEANER

Revolutionary Enzyme Tank Cleaner Additive. Exceptional in cleaning sludge and algae from gasoline and diesel tanks. Slows the recurrence of new algae that can contaminate fuel. Enzyme will clean tanks better than any tank cleaning service. 64 oz.

STR93664	TREATS UP TO 250 GAL. CAPACITY TANK...	\$ 39.45

MARINE FUEL STABILIZER - DIESEL

A concentrated, high-potency formula that keeps stored gas fresh for easy start-up next season & optimum performance year round. Protects against gum & resin build-up. Protects internal engine components & fuel system from corrosion.

CRC06171	8 OUNCE BOTTLE	\$ 5.95
----------	----------------------	---------

STA-BIL MARINE FORMULA FUEL STABILIZER

Use in all 2 & 4 cycle marine engines in gasoline, gasoline/oil mixtures and ethanol blends. Treat gas cans at each fill-up. Safe to use in all marine gas tanks, all inboard & outboard boat motors, onboard generators and personal watercraft engines. Also safe to use in all cars, motor homes, lawnmowers, tractors, snowmobiles, motorcycles, gas trimmers and all outdoor power equipment. Designed for ethanol fuel for marine applications.

STB22240	32 OZ. BOTTLE	\$ 35.15
----------	---------------------	----------

CRC MARINE FUEL STABILIZER

New high potency formula keeps stored gasoline fresh. For all 2 and 4 cycle engines. Protects against corrosion. Prevents gum and resin build-up; keeps filters and injectors clean. Non-staining. 1 OZ. treats 5 gallons of gasoline.

CRC06161	8 OZ. FUEL STABILIZER	\$ 5.95
CRC06162	16 OZ. FUEL STABILIZER	\$ 7.95
CRC06163	32 OZ. FUEL STABILIZER	\$ 10.95
CRC06164	1 GALLON FUEL STABILIZER	\$ 34.45

CRC "FOR GAS TANKS" ISOPROPANOL

Isopropanol based formula that removes water from gasoline. Prevents fuel line freeze while protecting & cleaning the fuel system year round. Protects down to -50F. Assures quicker starting & faster pick-up. Recommended use 3-4 times a year.

CRC05343	12OZ BOTTLE	\$ 4.95
----------	-------------------	---------

STARBRITE GASOLINE WATER ABSORBER

Removes free water from gasoline and allows it to be safely burned away. Protects carburetor jets and fuel injectors from pitting. Prevents corrosion of fuel delivery system.

Safe for use in all kinds of gasoline engines. Eliminates costly repairs due to water damage. 16 Fl. oz. treats up to 275 gallons of gas.

STR84516	16 OZ.	\$ 17.95

Starbrite

STARBRITE DIESEL GAS WATER ABSORBER

Removes free water from Diesel fuel and allows it to be safely burned away. Prevents growth of microbes in fuel and corrosion of fuel delivery system. Protects fuel injectors.

STR84616 16 OZ. WATER ABSORBER FOR DIESEL GAS...\$ 17.95

Starbrite

STARBRITE ALL-IN-ONE GAS ADDITIVE AND LEAD SUBSTITUTE

The one gas additive that does it all—boosts octane, reduces valve recession, stabilizes gasoline chemistry to prevent formation of harmful gum, varnish, and resins. Special lead substitute provides lubrication and protection not found in lead free gas. Corrosion inhibitors keep fuel pump and fuel delivery system free of rust and pitting. Special cleaners keep fuel injectors and carburetor jets free of dirt and deposits. 1 Fl. oz. treats 5 gallons of gas.

STR89408 8 OZ.\$ 14.45

 STR89432 32 OZ.\$ 40.45

CRC

CRC OCTANE BOOST

CRC Octane Boost increases horsepower and octane rating of gasoline by up to 5.5%! Provides lubrication previously found in leaded fuels. Maximizes power and torque. Protects rings, pistons, and combustion chambers from low octane.

Lead additive replacement
 Reduces or eliminates engine knock or ping
 Eliminates hesitation, rough idle, and sluggishness

CRC06067 12 OZ.\$ 7.45

CRC

CRC/SILOO STARTING FLUID

Assures fast starts in diesel and gasoline engines; effective to -65F. Prolongs battery and starter life. Reduces engine wear.

CRC05671 STANDARD STRENGTH 11 OZ.\$ 4.45
 CRC06762 STARTING FLUID 11 OZ.\$ 4.09

CRC

CRC MARINE ENGINE TUNE UP & DECARBONIZER

Breaks down carbon build-up and other harmful engine deposits left behind by modern fuels. Dramatically improves engine performance and power and solves many rough-idle problems.

CRC06121 16 OZ AEROSOL\$ 7.45
 CRC06122 16 OZ. AEROSOL WITH ATTACHED TUBE\$ 8.45

CRC MARINE TYME® CARBURETOR & COLD PARTS CLEANER

TYME® is a two phase water rinsable, cold tank liquid parts cleaner, designed to quickly remove carbon, varnish and grease.

CRC14104 5 GALLON BUCKET\$ 179.95

CRC CARB & CHOKE CLEANER

Dissolves and removes gum and varnish from automatic chokes, heat control valves, and carburetors.

CRC06064 CARB & CHOKE CLEANER\$ 4.95

SIERRA CARBON FREE

Specially designed to improve engine performance and efficiency. Thoroughly removes gum, varnish and carbon deposits. Cleans intake ports, valves, pistons and combustion chambers. Frees sticky rings. Designed for regular maintenance of 2 and 4 cycle engines.

SIE18-9570-0 12 OZ. AEROSOL CAN\$ 16.69

CRC MARINE FUEL TREATMENT AND STABILIZER

For all engines. Stabilizes fuel up to 8 months. Improves MPG and performance. Treats up to 100 gallons of gasoline or 72 gallons of diesel. Cleans combustible chamber deposits and port fuel injectors.

CRC-MK4908 8 OUNCE BOTTLE\$ 13.45
