TEMPRESS ELITE HELM SEAT

Molded Helm Seat that incorporates the patented NaviStyle® StylePanel® system and ensures superior comfort, unequalled quality, and a wide possibility of styles. The Helm Seat is constructed of materials designed to withstand the rigors of the marine environment. By utilizing Tempress StylePanels®, the Helm Seat goes beyond the standard snap on upholstery common in the market place today. Additionally, the contoured StylePanels® create a comfortable seating surface that is ergonomically correct without the excessive use of foam. Built in lumbar support and a rolled front edge make the New Tempress Helm Seat perfect for any application in which comfort, durability, and superior style are desired.

TEMPRESS HELM REFLEX DST CHAIR

Designed with the latest shock control technology and state-of-the-art ergonomics, this innovative marine seating system alleviates the impact of pounding waves on bumpy runs for a much more comfortable ride. Dual-Shock technology delivers two levels of shock absorption. The seat surface has a suspended Dymetrol trampoline (Based on a unique DuPont polymer orientation technology, Dymetrol provides strength of at least three times that of other similar materials) for stationary seating comfort while the twin spring-loaded shock absorbers beneath the seat offer extreme shock control in rough conditions. With lumbar support, side bolsters, thigh support and a padded head rest, this seat offers the full support you need for the long journey out to the fish—and the long ride back.

TEMPRESS ALL-WEATHER SEAT

TEMPRESS
INDUSTRIAL, LLC

Designed with particular attention to prolonged seating comfort. These versatile weather-proof seats are double-contoured, roomy, and resilient to produce the combination of multi-directional flexibility with full support. This is the key to increased shock absorption and reduced seating fatigue. Molded with deep-rolled front edges to eliminate pressure points, seats and backs have textured surfaces to provide proper sitting traction. Seats may also be upholstered in a variety of ways to assure boaters and fishermen many carefree hours on the water. The fold-down back features self-lubricating hinge points. A molded rib pattern will accommodate spiders with a 5" x 5" or 5-5/8" x 5-5/8" hole pattern with easy customer installation of four 1/4-20 insert nuts. Dimensions: 18-1/4" wide x 17" deep x 16-1/2" high.

TMP45043 GRAY ALL WEATHER SEAT\$ 54.45 G

TEMPRESS LOW BACK AW QD SEAT & CUSHION COMBO

The All-Weather Quick Disconnect Combo has been a durable standard for over 20 years. With its bullet proof design and heavy duty construction, these seats might even outlast your boat. Not just durable, but comfortable as well, the All-Weather features a double contoured seat pan that eliminates pressure points. Stainless Steel hinge pins secure the fold down back and included proprietary Quick Disconnect Mount provides for even more functionality. The QD mount allows the seat to swivel on a low profile corrosion proof disk, and can also be removed for storage or to be used in another location in the boat. Also, includes custom fitted cushion, (available as a replacement item). These cushions feature welded seams that inhibit water intrusion, marine grade UV stable vinyl, and high density foam inserts. The All-Weather QD Combo dimensions are 18"H x 18 1/4"W x 17"D.

SPRINGFIELD SPRING-LOCK POWER RISE

Quickly becoming a top favorite with boaters and fishermen everywhere. Now standard equipment in some of America's premier fishing boats. Travels from 13-1/2" to 20" at the touch of a lever. Seat mount is sturdy diecast aluminum with black powder-coat overlay finish. For additional protection from the elements, the post is manufactured in stainless steel. Pedestal activates with Springfield's exclusive 2-way handle: lifting up or pushing downward will engage the travel mechanism. Swivels a full 360 degrees. The cylinder is protected by a stainless steel sleeve.

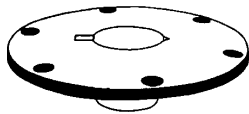

SPF1641005 SPRING-LOCK POWER RISE.....\$ 133.95

SPRINGFIELD SPRING-LOCK POWER RISE STAND-UP

Incorporates our newest pedestal system, the Spring-Lock, with all the features of our time-tested, power-activated, stand-up seat pedestals. Provides instant height adjustment from 22-1/2" to 29-1/2". Seat mount is diecast aluminum with heavy-duty black powder-coat finish. Activator handle works by lifting up or pushing downward - a Springfield exclusive. For additional protection from the elements, the post is manufactured in stainless steel. Swivels a full 360 degrees. The cylinder is protected by a stainless steel sleeve.

 SPF2171003 REPLACEMENT UPPER BUSHING.....\$ 6.69

SPRINGFIELD 13" TAPER-LOCK WITH LOCKING HANDLE

Taper-lock allows a pedestal to be removed from its base and remain firmly in place when required. Taper allows the pedestal to fit snugly and disengage as needed. Locking tab helps prevent the pedestal from turning and also helps keep the post firmly secured.

SPF1600607 TAPER LOCK PEDESTAL 13".....\$ 51.95

SPRINGFIELD TAPER-LOCK ADJUSTABLE

Adjusts from 13" to 19", includes our locking, 360 degree Quad-Action swivel, which converts from flat to 3 degree angled seat mount and also locks from left or right. 2" Dia. post.

SPF2171003 REPLACEMENT UPPER BUSHING.....\$ 6.69

SPRINGFIELD TAPER-LOCK POWER-RISE

Perhaps our most popular pedestal. A long-time winner with fishermen everywhere. Power-Rise travels from 13-1/2" to 20" at the touch of a lever. Seat mount is diecast aluminum with attractive black powder-coat finish. Pedestal is activated by lifting up or pushing downward on handle - a fool-proof Springfield exclusive. Swivels a full 360 degrees. The cylinder is protected by a stainless steel sleeve. 2" Dia. post.

SPF1601011 TAPER-LOCK POWER-RISE.....\$ 112.95

SPRINGFIELD TAPER-LOCK POWER RISE

Taper-lock allows a pedestal to be removed from its base and remain firmly in place when required. Taper allows the pedestal to fit snugly and disengage as needed. Locking tab helps prevent the pedestal from turning and also helps keep the post firmly secured. Adjusts 13-1/2" to 20".
